

## Competition Secretary's Report 2020/21

I have pleasure in presenting my Competition Secretary report for the season 2020/21. Due to the Covid Pandemic this season for Folkestone and all the other clubs throughout the country has been a completely new experience, Thanks to Zoom we have still been able to hold our meetings from the comfort of our own homes and carry on having our competitions and speakers, which has worked very well but as for the future who knows.

Although we have fewer members entering into the competitions, we have had a good number of entries for the invited Judges to critique and also added a 'Just Critique' section at the end of the evening. This gave people the opportunity to enter in an image for comment, which could have changes made, and if desired be entered into normal comp for judging for points. This coming season with only 34 Members we need as many of you to enter competitions to make it a worthwhile evening.

I must give my thanks to Bryan for displaying the comp images on the nights for the judge to comment and score. John and Melanie have been a great support, as well as all the committee, but you the members are the essential ingredient, thank you for making the images and entering them, making some very interesting evenings and giving the judges a hard job of choosing the winners.

I wish you all well, stay safe and enjoy a Summer with a difference. I ask for adoption of this report.  
Michael Chalk Comp Secretary VFCC.

# End of Year Results 2020-21

Comp	Points	Position	
Open PDI	151	1st=	Alan Gould
			Ian Stone
